

## **VAPING PRESENTATION**

Hustisford High School

December 4, 2019

6:00-8:00pm

**FREE!!!!**

Learn about the dangers of vaping, the latest statistics, how the tobacco industry hooked American youth targeted ad campaigns featuring new, sleek, discreet, high tech devices, and what we can do about it. There will be vaping tools here for you to see and touch. Many of them look like everyday gadgets and are easy to hide. The evening will end with an opportunity to get your questions answered.
